

Permit No. _____
Date Issued _____

CITY OF CORONA

ACKNOWLEDGMENT CONCERNING EMPLOYMENT OF REGISTERED CIVIL ENGINEERS & TECHNICAL CONSULTANTS

Address/Location of Property _____

Tract No. _____ or _____

Legal Description _____

The Owner(s) of the above described property hereby acknowledge that, as a condition of the Grading Permit and during all work authorized by said permit, a Registered Civil Engineer will be retained to be in responsible charge of the work and perform the duties of Civil Engineer in accordance with requirements of the Grading Ordinance and, further, that a Soils Engineer and/or Engineering Geologist will be employed to make tests, investigations, perform inspections, certify all compaction and backfill, and file a final report for compliance with said Ordinance.

Should new consultants be hired following approval by the City of the original reports and grading plan, the new consultants shall be bound by the grading plan and the preliminary soils report. If the plan, soils report recommendations, or work completed are not acceptable to the new consultants they shall provide a new report with recommendations and supporting data which must then be incorporated on a revised plan to be submitted for approval to the City. The Civil Engineer shall, upon completion of grading, be required to provide certification of grading, and "as-built" plans.
